4.	 Matters Arising a) Staff Pay An interim pay award will be included with the May pay. The rest of the pay submission will be reviewed in due course. b) Business Continuity Discussion between CHS and SCRA is ongoing around the suggestion of a 'reserve' fourth Panel Member to support virtual hearings and in particular access to papers needs to be discussed and resolved. Reporting is crucial in terms of providing an evidence base if requiring an extension to emergency legislation. SOMs to tie in with data team. c) Business Plan Leads have provided input. A draft report will be sent to EMT offline for review and comment. 	May 20	AH SOM's

	d) Management Development		
	On hold due to the current covid situation. Proposals and ideas are still being collected and will be implemented when appropriate.		LB
5.	 Facilities Management Contract EM introduced the report asking EMT to; Note that the tender process for FM services has been concluded and a formal tender recommendation report will be submitted to the Principal Reporter by the Procurement team. Note that the revised contract arrangements are expected to be managed within the revenue budget allocation for 2020/21. It now proposed to proceed with initial 5 year contracts with FES effective from 1 May 2020. 		
	EMT are happy with the contractor and the continuity that this offers. The longer term length of the contract is helpful. It provides assurance going forward in terms of capacity and quality based on experience to date.		
6.	 Alloa Lease Renewal EM introduced the report asking EMT to: Note the current position in respect of the lease expiry. Confirm that Alloa remains the preferred location for SCRA's Clackmannanshire hearing centre and to progress negotiations for a new lease. 		
	 Issues arising during discussion: Moving forward we need to ensure connectivity and factor in the ability to perform virtually. EM to confirm Alloa position regarding digital capability/connectedness. It is important to keep all outreach centres under review in terms of connectivity. 	May 20	ЕМ
	Agreed Alloa remains the preferred location for SCRA's Clackmannanshire hearing centre and to progress negotiations for a new lease.		

7. 8.	Dalkeith Lease Extension EM introduced the report asking EMT approve a one year extension of the lease to Spur Projects Ltd. Approved by EMT Corporate Procurement Strategy		
	 EM introduced the report asking EMT to approve SCRA's revised Corporate Procurement Strategy in line with the Procurement Reform (Scotland) Act 2014 (the Act) which further aligns SCRA with Scottish Public Sector best practice. Issues arising during Discussion: The annual report in June will provide further information. 		
	Agreed: • To approve SCRA's revised Corporate Procurement Strategy in line with the Procurement Reform (Scotland) Act 2014 (the Act) which further aligns SCRA with Scottish Public Sector best practice.

9.	Digital Programme		
	 a) Organisational Readiness TP/SD/LMcD have discussed roll out proposals. Further meetings are planned to continue discussions. 		
	 Focus has rightly been on business continuity but now requires to move back to CSAS roll out. Options around learning and the complexity of homeworking require further discussion and tie 		-
	in with UNISON.		SD
	 We need to engage with managers to address proposals and mitigations around the move to CSAS. 		SOM's
	 CMS is rapidly approaching end of life and does not offer us the flexibility or capacity to address recovery 		
	 EMT workshop to be arranged to define a list of proposal and design options. 	ASAP	PA
	b) Data Migration programme		
	Work is being done to get data in to good shape for migration. The data needs to be of the best quality for the immediate go live period of circa 13,000 cases		

	c) DDOC/DDB		
	Next DDB will be held 20 th May		
	 Next DDOC will be held 26th May 		
	d) Capacity planning		
	Are we content the CSAS platform is ready for		
	deployment? Staff availability and preparedness		
	is a huge opportunity and challenge. It is		
	important to get info out to managers ASAP so		
	they can factor capacity into their planning.		
	e) Communication and Operational update		
	 An update will be provided at a future meeting. 		
	f) CSAS External Mailbox Structure		
	PM introduced a paper on CSAS external mailbox		
	structure, asking EMT to consider what approach		
	should be taken in relation to the design requirements.		
	There is an opportunity to reshape how we		
	manage mailboxes. Propositions may include; o as is, or		
	 different structure staring with locality 		
	structure.		
	 Once agreed we can start to test with managers 		
	and partners.
